Aloha.

I am Dr. Ben Azman, and I wish to represent the people of the 10th Representative District.

I have lived and worked in West Maui since 1970, initially as a physician with the Kaiser Lahaina Clinic from 1970 until 1980, when I founded my own clinic, now known as the West Maui Healthcare Center. My family consists of my wife Aziza, my four children Sharita (also a physician), Rosiana (a psychologist), Reza (a firefighter stationed in Lahaina), Dain (a chiropractor), and three grandchildren Natalie, Casey, and Zoe.

Over the past 36 years, I have seen the changes in West Maui. I strongly feel that there should be a balance between growth and the needs of our community. The most pressing issue is the need to upgrade the highway linking West Maui to the rest of the island, so that we are not isolated whenever the present road is closed because of fires or accidents. We have had decades of talk, but no action and no accountability. If elected, I will fight for funding for the infrastructure needs of our district. As a Republican, I can work easily with the Lingle administration. Our district has paid so much in taxes, and we should no longer be neglected.

I have spent the last 36 years serving my patients and raising and educating my children. Now that my children are grown, I welcome the opportunity to serve the entire community of West Maui with energy and dedication. I need your vote!
